Dear parents and guardians:

The Cajon Valley Union School District Governing Board has placed Measure EE, a \$20 million general obligation bond, on the November 8, 2016 Presidential Election ballot to increase student access to computers by providing a reliable, replenishable source of low-cost funding.

To provide you with more information about this measure, I am enclosing a document with responses to frequently asked questions about Measure EE.

Passage of Measure EE, which requires approval by 55 percent of the ballots cast, will be up to District voters on November 8, 2016. Regardless of your final opinion on Measure EE, I encourage you to make your voice heard by voting

Election Day is November 8, 2016. Polls will be open from 7 a.m. until 8 p.m. You can find your polling place online at www.sos.ca.gov/elections/polling-place.

If you are not registered to vote, you can register any time through October 24, 2016, online at RegisterToVote.ca.gov or at the County's Department of Elections. Voter registration materials are also often available at post offices, libraries, city and county government offices and high schools.

Sincerely,

A handwritten signature in black ink, appearing to read 'David Miyashiro', with a long, sweeping horizontal line extending to the right.
