

THE SIGHTS & SOUNDS
OF EDUCATION

The 3066AVT headset is designed for mobile learning in today's classrooms. It's noise reducing earcups and microphone help filter out external distractions to keep students on task. The To Go plug makes the 3066AVT also ideal for VoIP applications, gaming, use in computer labs, multimedia apps with smartphones and other mobile devices.

1. Rugged ABS plastic headstrap with recessed wiring resists prying fingers for classroom safety with "Comfort Sling" for user comfort
2. Fully adjustable headband fits all sizes
3. Noise-reducing earcups lower ambient noise so volume does not need to be as high, as recommended by audiologists for hearing safety
4. Volume control conveniently located on ear cup
5. Permanently attached 3' straight cord with reinforced connection resists accidental pull out. 3.5mm To Go plug for use with smartphones, tablets & other mobile devices
6. Electret mic on flexible gooseneck with built-in wind screen reduces accidental recording of unintended sounds
7. Slotted baffles prevent speaker access, avoiding accidental cone puncturing
8. Replaceable leatherette ear cushions
 - iOS, Windows and Android-based devices
 - Two-year warranty for school use - unlike headsets purchased at consumer electronics stores whose warranties would be voided if used in schools

"Project Intercept"

Please contact us immediately if you experience any issues with your headset. Our "Project Intercept" customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email warranty@califone.com.
