CLASS WEBSITE

Visiting our class website daily is just one way to be successful!

- Homework
- Important Date Reminders
- Math & Science Resources
- Classroom Twitter Feed
- Student & Parent Connect

PLANNER

Your planner will be your best organizational friend in middle school. We will take time to fill out the planner at the start of every class, every day. Refer to your planner at home to remember what your assignments are & when they are due!

SUPPLIES

- 2 pencils (NO PENS ALLOWED!)
- Highlighter
- Eraser
- Math & Science folders
- Fully charged Chromebook
- A backpack
- Red paper folder with 3 prongs
- Green paper folder with 3 prongs
- Perseverance
- Kindness

These items will be required every single day!

ABSENT WORK

You will have one day to show me your completed work following an absence. Absent work is your responsibility.

- Check Mrs. Arreola's website to see the previous day's assignment & tutorials.
- Check Google Classroom from home to see what videos I posted. You will always have your science & math packets with you, so you can attempt to do the work without falling behind.
- I am happy to discuss missed work with you before or after school.
- It will be up to you to show me your completed work.

FOOD & BEVERAGES

- Water only
- Fresh fruit
- Fresh veggies
- Granola bar
- No dips or condiments
- No gum

If you can't eat without making a mess, this privilege will be taken away.

GRADES

Academic: based on how well you demonstrate mastery of the 6th grade math & science standards in class. Assessments & projects are 50% of your academic grade & classwork makes up the remaining 50%.

*Assignments with a score of 70% or less can be revised in the tutoring center before/after school.

Effort: based on homework completion & extra effort shown in class such as active participation in both math & science.

Citizenship: reflects student behavior. Each student starts each week with 5 points. If a teacher warning needs to be given for being disrespectful/unprepared, a point will be lost.

✓ = verbal warning

✓✓ = teacher conference & 5 minute detention

✓✓✓ = phone call home & 10 minute detention

More = teacher consequence (referral, parent conference, &/or detention).

CHROMEBOOKS & CELL PHONES

Chromebooks must be charged to 80% or more every single day. I will check chromebook charges each morning during homeroom. If you have less than an 80% charge, citizenship points will be taken away from your homeroom grade.

Cell phone use will not be permitted in my classroom. They must be turned off & stowed away in your backpack before coming into the room, not in your pocket.

- First offense: teacher takes phone away & student can collect it after school.
- Second offense (or more): teacher gives phone to office staff for parent to collect.

"Life is like riding a bicycle.
To keep your balance you must keep moving."

ASK FOR HELP

I understand your first year of middle school can be overwhelming. I am here to help you! I will have office hours in the tutoring center (time TBA), where you can make up & make revisions, or get homework help.

It is important for you to take responsibility for your learning & success by asking for help!
