

# MEET THE TEACHER

## MRS. ALBRIGHT

### 3RD GRADE

#### ALL ABOUT ME

I have been teaching for 36 years. I became a teacher because I love kids. When I was younger I always wanted to be a teacher. I walked into kindergarten and said, “I am going to be a teacher.” I love working at W.D. Hall because it is the best place to work.

“BELIEVE IN YOURSELF AND YOUR DREAMS, BECAUSE YOU HAVE THE POWER TO MAKE THEM COME TRUE!”
