# Bell Schedule for the Upcoming School Year

Still being decided.

We do know that we will follow our regular start and end times Tuesday through Friday. 9:00 to 3:30 and Students can arrive as early at 8:30.

We are still waiting to learn what our Monday schedule will be. It is typically a minimum day with students released at 2:30. At this time, we do not know what this bell schedule will be.

We also moved to a block schedule this school year. Students attended even classes two days per week and odd classes two days per week. We are still waiting to learn if we will keep this block schedule for the upcoming school year or will return to students having every class every day.
