

MEET THE 2024-2025 PTO ☺

PTO PRESIDENT

Hiiii Hawks! My name is Miranda Hermann and I am the PTO President. I currently have a 4th grader at Hall and a 6th grader at Greenfield Middle. This is my 2nd year as President but I have been involved in PTO for the past 6 years. My ultimate goal is to provide fun, engaging, and interactive events for our students and families.

My message to the parents: I completely understand PTO is not for everyone, but even one event with your involvement would not just be for heart-warming smiles from your child and their classmates but provide such a relief to our small but mighty parent participation.

Hi WD Hall Hawks my name is Yvonne Del Rosario, and I am honored with the opportunity to be the Vice President of PTO for the 24-25 school year. My twins are recent WD Hall graduates and will be starting their first year in middle school. My last baby is a fifth grader at WD Hall. (Not so baby) My family and I have really enjoyed volunteering at all the school events, and will continue volunteering. Being able to be part of my children's events brings me so much happiness. Helping make memories for all the students. PTO is amazing. I can't wait to meet all the new and returning parents at WD Hall.

PTO VICE PRESIDENT

My name is Brenda Emery and I am the PTO Treasurer. I am the mother to Miranda, your President, and thrilled to see my grandbabies having fun with their family and friends. This is my 2nd year as Treasurer and I am also the enrichment leader at Mount Vernon in Lemon Grove. I love helping my daughter create fun events for WD Hall. I became PTO Treasurer after Miranda took Presidency due to a need for a parent representative in the that position. I joined PTO with my daughter during a membership drive and I hadn't seen the campus since my 4 kids were once attending W.D.Hall. It's been great getting to know the staff and seeing happy faces during PTO events.

PTO TREASURER

Hello my name is Michelle Gabele your PTO Secretary. My favorite daughter (and only) is in 5th grade. I've been a full time Dog Groomer for over 21 years and PAW-sitively love it! I found my way into PTO after reading the book While Time Remains by Yoenmi Park written by a Northern Korean defector. Her story inspired me to be more involved, speak up if necessary and most importantly, to listen more. Please come join the party. You'll get free exclusive behind the scenes access to your child's school life. I have really enjoyed seeing her intact with all her friends. My daughter also really loves that I'm on PTO because she said she is famous now. Can't wait to meet you <3

PTO SECRETARY

Hello WD Hall Hawk parents! My name is Sara Grant and I am honored to be the Volunteer Coordinator and Yearbook Designer for the 3rd year in a row. My oldest just graduated Hall and is starting his first year at Greenfield and I have a 3rd grader here at Hall. I have really enjoyed meeting all the wonderful parents that help the PTO create magical events for our children. While I know it takes time and effort to join the PTO, we greatly appreciate any parent involvement. Not only do you get to be a part of the magic-making, you also get to show your children the joy in volunteering and helping others. Please say hi if you see me I would love to meet you!

PTO VOLUNTEER COORDINATOR
