## **Attendance**

One of the most important things your child can do to reach the goal of success is also one of the most basic: attend school every day on time! Daily attendance at school is important, any missed day is a missed opportunity to learn.

By attending class regularly, your child is more likely to keep up with daily lessons and assignments and take quizzes and tests on time. Research has shown that your child's regular attendance may be the greatest factor influencing his/her academic success.

### **If you are absent, you must**

- ♦ Clear your absence by parent phone call or note within 24 hours.
- ♦ Make up all missing work
- ♦ See your teachers for help

**Our Direct Line for ATTENDANCE is: 619-590-6899**

Attendance is monitored by the school and the State of California. Please refer to the [2021-2022 School Year Calendar](#).

## **Truancy**

Students who are absent more than 30 minutes from the school day without their parents' knowledge or consent are truant. If a student is truant for more than 3 days a meeting will be scheduled with the student, parent, counselor, and administrator.

# **Behavior Expectations**

## **Student Conduct**

The best education is achieved in an environment that is safe. Therefore, the school environment must be orderly, and a high standard of conduct must be maintained at all times. Any behavior that disrupts the educational process will not be tolerated. All students are responsible to behave in a manner that neither prevents teachers from teaching nor students from learning. In addition, the rights and property of others must be respected.

## **Challenge of Authority**

All school staff members are in a position of authority on campus or at any school-related activity. Students must follow the directions of all staff members. Direct challenges or verbal abuse toward a staff member will result in disciplinary action. If the challenge or verbal abuse is considered to be a threat, or results in bodily harm to a staff member, or their property, disciplinary action will include contact with local law enforcement.

## **Progressive Discipline Plan**

Although many of our students consistently make positive choices for themselves, sometimes there might be unwise or unsafe choices made where we need to implement additional consequences/interventions that may include:

First, there are conferences. These are discussions between the student, the teacher, the principal, and the parent. Not every conference will include all the previously listed parties, but the process of correction often begins here.

Second, there are detentions. They can be either before school, after school, or during lunch. The detention assignments are at the discretion of the teacher or administrator. After school detentions served through the AP Office will begin at 3:30 p.m. Students are responsible for their own transportation home.

Third, there is In School Suspension (ISS). ISS will be assigned on the first available school day as determined by the principal. Students are required to complete academic work and stay busy for the entire time; teachers will send all work for that day, and any late or missing work. ISS will be held in an alternative classroom. If a student is unable to maintain appropriate behavior in ISS, they will receive an Out of School Suspension (OSS).

## **Out-of-School Suspension**

Suspension is a very serious disciplinary action. A student can be suspended out of school by the site administrator for as few as one (1) day and for as many as five (5) consecutive school days. All work

assigned during the suspension must be picked up by a parent or designee and is due upon the student's return to school. Any student who is suspended must adhere to these restrictions:

1. The student is not permitted in the school building or on any Cajon Valley Union School District grounds without specific permission from the principal.
2. The student is not permitted to participate in any school function or extra-curricular activity while under suspension.
3. The student is not permitted to participate in any school function or extra-curricular activity until he/she attends a full day of classes after returning to school.

## **Suspension & Expulsion**

**(EdCode: 48900 et al.)**

**Definition of Bullying** – In accordance with state law, bullying is defined as intimidation, unwanted aggressive behavior, or harassment that is repetitive or is substantially likely to be repeated and causes a reasonable student to fear for his or her physical safety or property; that substantially interferes with the educational performance, opportunities or benefits of any student without exception; or that substantially disrupts the orderly operation of the school. Bullying includes, but is not limited to: physical actions, including violence, gestures, theft, or property damage; oral, written, or electronic communication, including name-calling, put-downs, extortion, or threats; or threats of reprisal or retaliation for reporting such acts.

Even in situations where the district does not have jurisdiction to discipline a student for bullying, such as when the acts take place off campus and there is an insufficient nexus to the district, the principal or designee will take appropriate actions to assist student victims. Such actions may include, but are not limited to, contacting the parents/guardians of the victim and the alleged perpetrators, communicating that this behavior is not allowed on district grounds or at district activities, notifying the appropriate district staff to assist the victim, and taking additional action when appropriate, such as notifying law enforcement or social media companies of inappropriate online activity.

**Cyberbullying** – A form of bullying committed by transmission of a communication including, but not limited to, a message, text, sound or image by means of an electronic device including, but not limited to, a telephone, wireless telephone or other wireless communication device, computer or pager. The district has jurisdiction over cyberbullying that uses the district's technology resources or that originates on district property, at a district activity or on district transportation. Even when cyberbullying does not involve district property, activities or technology resources, the school may impose consequences and discipline for those who engage in cyberbullying if there is a sufficient nexus to the educational environment, the behavior materially and substantially disrupts the educational environment, the communication involves a threat as defined by law, or the district is otherwise allowed by law to address the behavior.

### **Incident Statements in AP Office and Counseling: How to Report Bullying**

Students who have been subjected to bullying, or who have witnessed or have knowledge of bullying, are encouraged to promptly report such incidents to any staff member. Students will be asked to complete an incident report in the counseling office or office of assistant principal. Any school employee receiving such a report shall promptly transmit the report to the assistant principal.

## Lunch Procedures

Students will be assigned to a specific lunch period. Hillsdale Middle School is a closed campus school and students are not allowed to leave the building unless they have checked out in the Attendance Office.

It is expected that students will keep their proper place in the food lines, observe good table manners, and clean up after themselves. All students at a table are expected to help with table clean-up.

After eating, place all papers and scraps in containers. Students remain in the cafeteria for their entire lunch period unless other areas are designated.

**No food or drinks may leave the cafeteria.** Food or drinks in the hallways will be confiscated from students. Please do not bring any food to school for sharing (store bought or homemade). Candy is permissible during a classroom event with teacher consent. Food may only be in class with teacher permission

### **Food/Drinks not Allowed per the Wellness Policy**

In an effort to keep the HMS campus clean and beautiful, **gum is never allowed at school!** Energy and highly caffeinated drinks are not allowed; sodas and heavily sugared drinks are highly discouraged.

## **Emergency Procedures**

During a crisis, Hillsdale Middle School staff will implement the Crisis Response Plan for that particular emergency. Students will be responsible for following the directions of staff members. Staff members have been trained and will know the correct response to any crisis. Students also will be taught the correct response to emergency situations.

Hillsdale Middle School has a Crisis Response Plan to deal with emergencies, including earthquakes, fires, bomb threats, active shooter on campus, intruder on campus, or any disaster. Each response includes procedures for safely evacuating students from classrooms and for articulating with law enforcement or other emergency agencies. The school has a plan for uniting students with their parents, setting up a first aid center, establishing a command center, and providing for the comfort and security of students.

### **In Case of An Emergency**

#### **What do students do during an emergency?**

Follow the directions of staff members, since they are trained to handle emergencies. If you are not in a classroom, find the nearest adult and follow their directions.

#### **How will I be reunited with my parents?**

During an emergency situation, the school will establish a Family Reunion Area where parents can pick up their children. Only your parents or others listed on the permanent record card may pick up a student. They must have identification.

#### **What happens when a student needs their medication that is kept in the office?**

All student medications will be taken to the First Aid Center, so students needing their medication will have it available.

### **What happens if my parents are unable to pick me up?**

During an emergency situation, students who are still at school at the end of the day (4:30 p.m.) would be released to the San Diego Sheriff's Department. The Sheriff's Department would reunite children with their parents. In the case of a severe disaster/emergency, Hillsdale Middle School will follow the directions of the Cajon Valley Union School District Emergency Operations Plan. All students will be cared for until reunited with their parents or placed in the care of the appropriate emergency agency.

### Emergency Drills

**FIRE AND EMERGENCY DRILLS:** In all drills, follow these procedures:

1. Students are to follow the instructions of their teacher.
2. Drills are to be carried out in a quiet, orderly manner.
3. Students are to leave the room in a single file line.
4. Students are to return to the classroom, when instructed by the teacher, after the all-clear from an administrator.
5. Should the fire alarm sound during lunch or between classes, students are to report to the location on the field where their zero period teacher assembles.
6. Drills may be and have been unannounced to students and families in order for authorities to observe authentic reactions of students and staff during lockdowns and evacuations.
7. Treat every drill as the real thing.

**Initiating fire alarms without cause will result in severe disciplinary action, possibly involving law enforcement. Disruptive behavior during a drill will result in a referral, or other disciplinary action.**

## **COVID-19 Prevention Guidance**

Hillsdale Middle School looks forward to reopening for the 2021-22 school year. We believe that safety comes first, and in order to keep students, families, and staff safe, the following expectations will be asked of all students who plan on attending school. Please note that CDC and department of health guidelines do change and as a result some procedures and expectations may change.

### **Student Expectations on Campus During COVID Pandemic:**

- ♦ Students are expected to be screened for COVID 19 symptoms.
- ♦ Students are required to wear a mask at all times except for eating or drinking.
- ♦ Students need to practice safe hygienic practices by washing their hands and using hand sanitizer when entering or leaving the campus/classrooms.

### **Staff Expectations:**

- ♦ Staff are expected to be screened for COVID 19 symptoms.
- ♦ Staff are required to wear a mask at all times except for eating or drinking.
- ♦ Staff will practice safe hygienic practices as they enter into and out of classrooms/campus.
- ♦ Staff will report or send a student to the health office if a student is displaying symptoms of being sick.

At Hillsdale Middle School, we truly believe in providing a safe and positive environment for students to learn. We hope that the expectations and guidelines provided will create such an environment. Those that are unable to comply with these guidelines will not be able to attend school on campus and may be asked to continue their education journey through the online distance learning program.

### **PPE and Social Distancing Practices**

Students, staff, volunteers and visitors who refuse to wear face coverings who are not otherwise exempted from wearing face coverings and/or refuse to follow safety procedures as directed by school administrators, shall be precluded from entering school grounds.

The failure or refusal to wear face coverings where required and/or refusal to follow safety procedures is the basis for discipline.
