2023 Open Enrollment 10/17/2022 - 11/4/2022

It is time for our annual health insurance and supplemental benefits open enrollment. As we did last year, we will be utilizing American Fidelity's complete online platform (AFenroll®) for our employees. This system allows for a seamless experience for your medical, dental, vision, and supplemental benefits enrollment. New this year, we are providing you with two options to enroll.

In Person or Virtual Meetings

The one-on-one enrollment allows you to meet in person or virtually with an American Fidelity account manager to enroll in the benefits that best meet your needs. Onsite appointments will be available at all sites as well as the district office.

Online Self Enrollment

Through AFenroll®, you can enroll on a secure online system accessible from any desktop browser. The site contains educational resources about your supplemental benefit options. The self-enroll option will be open from 10/17/2022 - 11/4/2022.

Please note: If you intend to add new dependents to your coverage you will need to make a one-on-one appointment with an American Fidelity representative. You must provide their social security number, as well as additional documents to confirm eligibility. If waiving medical coverage, you must show proof of other coverage.
