Dear Bostonia Language Academy Parent,

On behalf of our entire staff, we would like to welcome our new kindergarten students and our returning students! It is with great honor and much enthusiasm that we receive the 2018-2019 school year. This promises to be a school year filled with rich opportunities, a year of engaging, meaningful and rigorous work in our classrooms, combined with special events certain to encourage our Lobos to be involved and feel connected!

The beginning of school is an exciting time in the lives of all children. If your child is like most children, he/she will come to school with a natural desire to learn, a healthy amount of energy, and possibly a bit of anxiety brought on by the change in his/her routine. We see these as opportunities to help children mature, become independent, and to learn to manage change in a supportive environment.

Thank you for preparing your child for the start of the school year! Below please find some important notes and reminders to keep in mind. Let's make the start of this school year a successful one:

- Talk positively about school and the wonderful opportunity to learn three languages!
- Encourage your child to ask questions. We know that informed children are confident children. Have the expectation that children always speak and answer questions in complete sentences.
- Familiarize your child with his/her new school and surroundings. Arrange to take your child on a tour of the school before his/her first day. Make sure your child has a clear idea of how you'll get him/her to and from school. Teachers will go over the curriculum at "Back to School Night" (date to be announced). We will also have a "Parent Teacher Association Meet and Greet" day, on Tuesday, August 21st from 3:30 to 6:00 pm. Class lists will be posted on this day starting at 3:00 pm in the front of the school. The first day of school is Wednesday, August 22nd. During the first three days of school (August 22-24) Transitional Kindergarten and Kindergarten students will be dismissed at 1:00 pm.
- Being well rested is very important. Attending school is a physically exhausting experience for most young children- especially when learning three languages! During the first few days of school, put your child to bed a little earlier than usual. Once the routine is established you may adjust bedtime to meet your child's needs.
- At least one week prior to school start practicing your morning routine of getting up early, having breakfast, and allowing enough time to arrive at school on time. This practice will avoid putting the family through the hurried/stressful morning rush. Our first bell rings at

7:55 a.m. Instruction begins at 8:00. The earliest a child may arrive at school is 7:30 a.m for breakfast.

- Breakfast and lunch are served at school. Every child must eat lunch. Students may take a school lunch or bring their own lunch in a lunch box with their name on it. Make sure your child knows their lunch eating plans.
- Tuesday-Friday all grades are dismissed at 2:00. Every Monday is a one hour early dismissal day (1:00 pm) due to staff development and instructional planning.
- Prioritize a little time after school to talk about your child's day. Right after school, if possible, look over anything he/she brought home from school. Discuss any school work, and offer encouragement and praise.
- If your child expresses concern about something which you feel needs more explanation, call us at 619-588-3121 and leave a message for the teacher. Communication and cooperation between parents and school is essential to promoting a good learning environment.
- Practice Reading every day for at least 20 minutes! Daily practice is a key factor for fluency and comprehension. Daily practice also gives children exposure to new vocabulary and more complex sentence structures that help with their speaking and writing skills.
- Find ways to be involved with our Parent Teacher Association (PTA).

We extend a special, yearlong invitation to our families to join us at school activities and events whenever possible. We value parent involvement and support in children's education! Your active participation is key to the success of our young Lobos. We encourage you to *stay in the know* about your child's studies, assignments, assessments, and school activities, as well as other events and happenings.

Please be sure to check your child's backpack as well as the Bostonia Language Academy's website, <https://www.cajonvalley.net/bostonia> for notices and updates. We hope that you find our website informative, details on important events and activities are included in our electronic calendar and uploaded to our website. Additionally, we have a Twitter account (@BosLangAcademy) that is used to celebrate student learning, and to send out updates and announcements throughout the school year.

Again, we welcome you to Bostonia Language Academy- our wonderful learning community. We are a school community where parents, teachers and students care for each other and strive to build positive relationships that support social and academic growth. Our school is a place alive with much *energy, enthusiasm, and a high standard of excellence!* We are delighted to have your child at Bostonia Language Academy for the 2018-2019 school year. Our staff looks forward to working with you and doing our best to ensure your child has a great school experience!

Warm Regards,

Izela Jacobo, Principal
