## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2018-19)**

School Mission:

At Magnolia it is our mission to develop students into thoughtful, creative and self-directed learners that positively participate in and shape society. Magnolia is an inclusive school where we strive to build happy, healthy students on the path to gainful employment.

School Vision:

Staff, students, and parents will unite to cultivate and foster a positive and peaceful environment where:

- Happy, healthy students are engaging with challenging and rigorous instruction
- Teachers collaborate to provide excellence in teaching which includes monitoring and intervention processes
- Students and staff are given multiple opportunities to give back to the community
- Success is valued and celebrated
- Clear lines of communication are utilized
- Staff actively implements a multi-tiered system of supports and strategies to promote students' academic, social, and emotional development
- Students have opportunities to explore future careers and foster a sense of hope for the future.

Students with Disabilities	14.7
Foster Youth	1.1

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

Teachers	School			District
	2016-17	2017-18	2018-19	2018-19
With Full Credential	25	27	28	790
Without Full Credential	0	0	0	22
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	6

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2016-17	2017-18	2018-19
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

##### General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. This survey was completed on 06/18/2018 and is available at the Facilities, Maintenance and Operations office.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

**Facilities Description**

This school has 28 permanent classrooms, a multipurpose room, and an administration building. The main campus was built in 1952 and modernized in 1996. A building consisting of 8 classrooms was added in 2017.

**Maintenance and Repair**

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

**Cleaning Process and Schedule**

The school is cleaned every other night by a district cleaning crew. Work performed includes: sweeping, vacuuming, and mopping floors, emptying trash, cleaning sinks, filling dispensers, and dusting rooms, as scheduled. Grounds are maintained by District grounds keeping staff. There is one full-time day custodian. The day custodian is responsible for daily restroom cleaning, cleaning eating and food preparation areas, daily grounds clean up, minor facility repairs, and special emergency clean ups. Carpets are shampooed and tile flooring is cleaned and refinished every winter, spring, and summer break. A thorough deep cleaning of all areas is done every summer. District administration works daily with custodial and grounds supervisors to ensure a clean, safe school.

**Deferred Maintenance Budget**

The District allocates funds for deferred maintenance projects which consist of major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior paint, and floor systems.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	24.0	19.0	42.0	42.0	48.0	50.0
Mathematics (grades 3-8 and 11)	16.0	18.0	32.0	33.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	260	254	97.69	18.50

Students with Disabilities	42	41	97.62	2.44
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2018-19)

---

#### Parent Participation

Successful education requires a strong partnership between parents and the school. To foster this partnership, we encourage parents to be involved in their child's education through regular communication with teachers and school staff. While parent conferences are held in November, we encourage you to talk with your child's teacher throughout the year. You can assist your child's progress by monitoring class work, providing a structured time for homework, reviewing progress reports, and becoming involved in school activities.

The following District and site committees are designed to foster parent involvement:

#### District Committees:

Superintendent's Citizen's Advisory Council (SCAC) – Parent representatives from each school meet with the Superintendent to receive information and give input about activities at the schools. The SCAC meets three times in a school year.

Learning Environment Task Force (LETF) – This committee monitors a comprehensive plan that maximizes facility use and improves the quality of program offerings at the school. Parent representative and staff meet as needed.

Local Control Advisory Committee/Title I District Advisory Council (LCAC/DAC)– Is comprised of parents, facilitators from Title I schools, community members and staff. Title I parent representatives are provided an opportunity to not only receive information regarding Title I programs, but also participate in the development of the District's Local Control Advisory Plan (LCAP) by giving input to improve student achievement.

District English Learner Advisory Committee (DELAC) – This committee meets almost every month and provides opportunities for representatives from each school to learn about District and state programs for English learners.

Local Control Accountability Plan (LCAP) - School districts in California are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). Cajon Valley LCAP Committee meaningfully engages a broad group of stakeholders comprised of parents, community members and school and district staff members to provide input in the development of the plan to identify annual goals, specific actions, and measures of student progress. The LCAP guides decision making about actions and services for all students in the district including low-income students, English Learners and foster youth.

#### School Site Committees:

School Site Council (SSC) – Each school has a School Site Council that meets monthly and is comprised of parents, staff, and the principal. The School Site Council makes decisions for the school through the development and implementation of the Comprehensive School Plan for Student Achievement. The SSC approves categorical budget expenditures focused on improving student achievement.

English Learner Advisory Committee (ELAC) – This committee, comprised of parents of English learners, advises principals on the instructional program for students who are learning English.

#### School Events:

Each year parents are invited to Family Teacher Teams, Fall Fest, Family Movie Nights, Spring Open House, and Family Fridays. In addition, Magnolia involves parents through being classroom volunteers, PTA, and field trip chaperones.

Parent Education:

The District promotes parent education through collaboration with Adult Education, site-based parent education sessions, Title I and Bilingual Program offerings, and the San Diego County Office of Education sponsored conferences. In addition, the District sponsors English as a Second Language (ESL) Family Education Program which provides free English language instruction to parents and members of the community who do not speak fluent English.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
<b>Suspensions</b>	2.9	2.5	3.1	2.8	3.3	3.7	3.7	3.7	3.5
<b>Expulsions</b>	0.0	0.0	0.0	0.0	0.1	0.1	0.1	0.1	0.1

**School Safety Plan (School Year 2018-19)**

Magnolia School is focused on providing a positive, safe, and secure learning environment for students, staff, parents, and the community. The site’s comprehensive Safe School Plan addresses safety concerns identified through a school wide planning process. The goals and objectives of this plan support a learning environment that allows staff to effectively teach and students to actively learn. The plan promotes campus safety and focuses on character building and the analysis of the school’s physical, social, and cultural environments. Additional components of the plan include information on the site discipline plan and policies; safe travel to and from school; child abuse reporting protocols; school crime data; notifications to teachers of dangerous students; discipline, non-discrimination/harassment, hate-motivated behavior, bullying and sexual harassment policies; and descriptions of strategies that help to develop a safe, positive environment. The site Safe School Plan is updated annually. For the 2017-2018 school year, it was approved by the School Site Council on 10/19/2017 and discussed and reviewed by the staff on 10/19/2017.

The site Safe School Plan also includes routine and emergency disaster information, including the site Emergency Operations Plan (EOP) that aligns site emergency operations procedures with the District Emergency Operations Plan. The site EOP is updated annually.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**Average Class Size and Class Size Distribution (Elementary)**

Grade Level	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes

Note: Cells with N/A values do not require data.

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

**Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2016-17)**

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$10,979	\$3,554	\$7,425	\$71,365
District	N/A	N/A	\$7,398	\$79,095
Percent Difference: School Site and District	N/A	N/A	0.4	-7.4
State	N/A	N/A	\$11,548	\$80,910
Percent Difference: School Site and State	N/A	N/A	12.2	-9.3

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

**Types of Services Funded (Fiscal Year 2017-18)**

A variety of supplemental services are available at Magnolia School, funded by the school’s categorical budgets: Title I, Supplemental Concentration, Basic, and Donation. These extra support services targeted reading and math intervention, instructional coaching for teachers, supplemental technology suites in ELA and Math, student services provided by a Title I/EL Facilitator, and a full time Counselor. Additionally, categorical funds provide support in closing the achievement gap and ensuring access to the core curriculum through an inclusive environment, field trips, and after school tutoring. These services are evaluated and revised continually throughout the year by stakeholders to ensure that progress is being made toward school and district initiatives.

**Teacher and Administrative Salaries (Fiscal Year 2016-17)**

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$44,382	\$50,084
Mid-Range Teacher Salary	\$75,962	\$80,256
Highest Teacher Salary	\$103,403	\$100,154
Average Principal Salary (Elementary)	\$125,285	\$125,899
Average Principal Salary (Middle)	\$125,285	\$130,255
Average Principal Salary (High)	\$0	\$128,660
Superintendent Salary	\$270,689	\$222,447
Percent of Budget for Teacher Salaries	36.0	37.0
Percent of Budget for Administrative Salaries	5.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

**Professional Development (Most Recent Three Years)**

Each year, teachers and support staff participate in Professional Development, as indicated in the Comprehensive School Plan for Student Achievement (SPSA), the Local Education Agency Plan and Local Control Accountability Plan (LCAP). Priorities for professional development are established for teacher and staff training using student achievement data, teacher needs assessment surveys, and observations of instruction. In response to these priorities, sessions are developed to support classroom implementation. Teachers requiring additional certifications to meet student needs are enrolled in appropriate programs.

- Certificated and support staff participate in workshops offered within the District (in person and online), offered by the San Diego County Office of Education, local universities or outside vendors as appropriate.
- An online professional development calendar which includes Cajon Valley Union School District offerings for the year is accessible to all staff. Certificated staff who attend workshops during the year are frequently called upon to present relevant information and teaching techniques during site and district professional development sessions.
- Professional Development is available for certificated personnel as well as classified staff members who work with students. Site categorical fund expenditures must be approved by the School Site Council.
- Professional Development opportunities are offered during summer, winter, and spring intersession, as well as during the school year.
- Full day release and after-school workshops and trainings are also available.
- Online Digital Badges were offered to be completed within a month where teachers could finish at their own pace (NGSS, ELD, ELA, Math, and EdTech)
- Writing Workshop Support was offered at the site level and tailored to fit individual site and/or grade-level team needs.

In the 2017-18 school year, elementary and middle school teachers were released for one-half day each trimester to collaborate with grade level/department peers, analyze student work, review formative assessment data, develop lesson plans and identify instructional strategies to meet student needs. In addition, workshops on the topics listed below were offered prior to and during the school year:

- Applied Behavioral Analysis Workshop for Special Education Teachers
- Achieve 3000 (online reading supplemental program)
- ELPAC Training
- Chrome Apps and Extension
- Computer Science with Code.org
- Engineering Design in the Classroom
- ELD: Designated/Integrated
- Family Engagement
- Google Apps for Education (GAFE)
- How to Integrate Technology into Writing Workshop
- How to Use Mentor Text to Teach Grammar/Conventions
- Mild/Moderate Transitional Training for Special Education Teachers
- Moderate/Severe Special Education Classroom Quality Indicators
- Next Generation Science Standards
- Number Talks
- Positive Prevention Plus Curriculum (middle school science teachers)
- Professional Assault Crisis Training (ProAct)
