Dear Perspective Makerspace Team Member,

Thank you for your interest in joining the Makerspace Team. Members of our Makerspace team help prepare, organize, and assist students and teachers in the Makerspace. Team members must be helpful, comfortable interacting with other students, able to follow directions, and not distract from learning. You are expected to be a responsible and self-motivated critical thinker. Every activity in the Makerspace is different so being flexible is essential. Students in the makerspace class may also work in the chromebook hospital during zero period. Chromebook hospital is held in two locations, the Makerspace and the 203 computer lab. This is a yearlong elective.

*Minimum eligibility criteria for Makerspace and Chromebook Hospital are **3.0 GPA in citizenship for each trimester, a 2.5 GPA in academics and no behavior referrals.** Students who do not maintain their eligibility, may be dropped from the program.*

Thank you,

Selection Committee
