

ELAC Agenda
October 9, 2018

- **Purpose of ELAC**
 - Discussion of how important it is for parents to get involved in both Parent University and ELAC, etc. to make a difference in ELD at school site

- **Site ELAC Calendar**
 - Members agreed Fridays at 1:30-2:00 would work best. We will amend the ELAC Calendar and post it at school site parent board and website.

- **Review Data**
 - Parents discussed how difficult it is for Newcomers to do well on both the CASSP and ELPAC. Discussed Initial ELPAC Assessment and ELPAC growth tracking over time (levels 1-4). Parents agreed tracking growth is important, even if assessment is difficult.

- **Goals**
 - Students should improve by one ELPAC level each year, and parents discussed their wish to be exited out of ELD by middle school, when possible.

- **Elect Officers**
 - Luz Vidales was only one to send in form to be Chairperson. We had members sign up for each position and went over Slides for training. We'll do official ballot at next meeting now that we have a name nominated for each position.

- **General Information**
