

PARENT FEEDBACK MEETING NOTES FROM 3/23/20

Needs

Parents using new technologies

Student connection with peers

Can students get the day started with teachers via video, Zoom

*Parents needing free internet- What can be done

How can we bring the community back to parents

Bring all resources to one spot

When can we get updated information on timelines, specifically related to closures

Looking forward to more work for students

Information- Where is this headed if we go past April 20th? Implications for parents

*SEL Supports for students and parents- Loss of classes/opportunities with change

Understanding student programs and recommendations ex ST Math & Achieve

Getting chromebooks home

Help parents learn technology to help students teach

Help parents create routines for students and creating normalcy in distance learning

Help parents persuade their children to complete their work

Give links to videos or websites with student online activities

Printed materials for home

Interactive family assignments- Family Connections

Bright Spots

Teacher involvement- getting work from teachers from website

*Adaptive programs- Achieve3000 & ST Math

IReady

Keeping Normalcy

Meeting via Zoom and brainstorming

Seeing familiar faces online or lunch pick up

***Lunches
