With the additional funding of \$79,110 Magnolia would like to spend

- \$68,500 1.0 FTE LLIT Support Teacher
  - This Support Teacher will provide roving support for teacher collaboration or assessment support during windows. This supports our work with the Literacy Project and supports of our goal of learning loss mitigation.
  - This position will also support gaps in coverage for staff attendance as needed.
- \$8,500 for 3 hour Campus Aide Sub Nov-June
  - This will provide additional support at recess and lunches to keep students in stable cohorts which limits exposure and quarantine. This will have a positive impact on student attendance and achievement.
  - It also reduces the amount of supervision duty that certificated teachers have, thus reducing stress and providing time to decompress or complete smaller tasks during contracted time.
- After School Enrichment Program (6Cricket) \$15,000
