

Rios Town Hall Parent Meeting Dec 8 and 10

What is going well for Rios?

In Person	Distance Learning
<p>5 days a week - in person (students appreciate in-person learning rather than Zoom). Sometimes student concern about COVID, when it comes up in news, but with parent reminders to stay safe, student feels comfortable. Continue safety protocols.</p> <p>5 Days a week in person is working well. Excited for school and doing well academically. Distracted on Zoom, feels in person is a motivator. Social interaction has been good for the students. More successful in person.</p> <p>No concerns about Covid, feels safe with kids at school.</p> <p>Everything, the student is happy to be in school, enjoys interactions. In EDP until they have to pay in Jan. No negative effect from wearing the mask. Having a normal 5 days a week schedule, maintaining normalcy in life.</p>	
Whole School Community	
<p>Loved the Halloween walk around with parent volunteers.</p> <p>Rios is doing an outstanding job, my son is so happy to be back. Thank you to all of the teachers and staff.</p> <p>Appreciated the Love our Tweens Workshop offered to parents in person on campus.</p>	

What needs improvement?

In Person	Distance Learning
<p>My student is not getting as much individual attention (small group work) as before due to 6 feet. The individual work/time with the teacher is hard. Missing friends from last year that are in the other classroom that he cannot interact with.</p>	

Parents are clueless about the day to day so they are missing the interaction with the teacher and seeing the classroom style and just the room. She misses the showcase at Rios.	
Whole School Community	
EDP: the cost will affect attendance, and cannot pay for EDP. Paying for the two children is almost the amount we earn per week.	
Concerns about EDP not being free and available for free or reduced rate.	

Suggestions?

In Person	Distance Learning
More hand washing stations.	Virtual Open House
Whole School Community	
Get back to dances and events as soon as we can.	
Kids are missing interaction. Can we do in class events like Bingo with another class that is on Zoom. Then they can see other peers.	
Buddy system from distance learning to in person learners so that they can interact between other classes	
More teacher communication to home. Principal is great at making everyone feel safe. Would like more communication from teacher	

In attendance:

12/8

Principal/Teachers

Liz Loether

Graciela Arredondo

Jennay Butler

Gabrielle Ruiz

Taylor Cotton

Kelsey Townsley

Rios Community

Roberto Moreno - Roberto (4th)

Mayra Valdivia - Mirleth (1st)

12/10

Teachers/Principal

Loether

Butler
Townsley
Cotton
Weatherford
Townsley
Ruiz

Rios Community
Zabdy Davalos
Alisa Aschenbrener
Erika Broderdorf
Donna
Gerardo Ruiz Esparza
Cristina Smith
