

WEEKLY LESSON PLAN

| <u>Wk</u> <u>2</u> | World History | •NOTES• |
|-----------------------|--|--|
| MON | <ul style="list-style-type: none"> Gmail signature eKadence set-up Introduction to Gimkit | <p>eKadence is an online program that our district is piloting (trying out) to see if it is a fit for us. I am one of the teachers who is participating in the pilot. All student assignments will be posted in eKadence instead of Google Classroom. I understand that makes it more difficult for you, and I am truly sorry about that. I do need feedback from you after the year concludes to see how helpful you found it to be and asking for any recommendations you might have to improve it.</p> <p>I will be trying a different grading program that supports parent communication better than eKadence. It's called iGrade. Both Mrs. Nabors and I will be using it, so it should help simplify things for you.</p> |
| TUES | <ul style="list-style-type: none"> In the Clouds – Continent identification activity Gimkit – practice | |
| WED | <ul style="list-style-type: none"> Butter Battle Book – Read and answer comprehension questions | |
| THURS | <ul style="list-style-type: none"> World Map Scavenger hunt. Practice identifying continents | |
| FRI | <ul style="list-style-type: none"> Getting to know each other. Who are you? Worksheet | |
