

WEEKLY LESSON PLAN

Wk 4	World History	•NOTES•
MON		<p>I hope that everyone enjoyed their three-day weekend! Last week we did so many crazy things. Ask your student about the cookie assignment.</p> <p>This week we will start digging into how I expect paragraphs to be written. If you haven't heard of a CER, it's a common paragraph formulation. It helps guide students when writing academic paragraphs. I have started emailing weekly progress letters to parents. It goes out the first day of the week. If you are not receiving your email, please email me at turnerdl@cajonvalley.net to make sure I have the correct address. Students have this week to fix any assignments from week 3, but as of now, week 2 grades are closed.</p>
