A screenshot of the PeopleSoft Employee Self-Service (ESS) login page. The page has a dark teal header with the text "PeopleSoft Employee Self-Service (ESS)" in white. Below the header is a white box with a light blue border. Inside this box, the text "PeopleSoft Login" is displayed in a brown font. Below this, there are two input fields: "User ID" and "Password", each with a white input box. Below the input fields is a yellow "Sign In" button.

If you need your password reset by the Information Technology Department, the password will be reset to \$ (dollar symbol) + last initial in uppercase + first initial in lowercase + employee ID number.

For example, the reset_password for Adam Lincoln would be: **\$La#####**.
