

**CAJON VALLEY UNION SCHOOL DISTRICT
PERSONNEL COMMISSION**

Job Class Description

<u>SCHOOL BUS DRIVER</u>	
DEPARTMENT/SITE: Transportation	SALARY SCHEDULE: Classified Bargaining Unit
	SALARY RANGE: 21 per 2020/2021 Schedule
	WORK YEAR: 11 Months (208 Days)
REPORTS TO: Transportation Operations Supervisor	FLSA: Non-Exempt

BASIC FUNCTION:

Under the supervision of the Transportation Operations Supervisor, drive a school bus to transport students safely and efficiently to assigned location on a designated route or excursion; provide safe and secure transportation for students, including those with physical, medical, educational, and emotional needs; load, unload and secure students; perform regular safety inspections. The incumbents in this classification assist in providing students with transportation services which directly supports student learning.

ESSENTIAL FUNCTIONS, DUTIES AND TASKS:

The following list of functions, duties and tasks is typical for this classification. Incumbents may not perform all the listed duties and/or may be required to perform other closely related or department-specific functions, duties and tasks from those set forth below to address business needs and changing business practices.

Drive a school bus or other District vehicle along a designated route; pick-up and discharge students in accordance with time schedules; provide safe and secure transportation for students, including students with physical, educational, and emotional needs; observe legal and defensive driving practices; assure compliance with applicable traffic and student transportation laws, codes, and regulations.

Maintains and participates in the behavior management of passengers on the bus and while waiting at bus stops in accordance with policies related to disciplining students; prepare related reports as necessary.

Maintains order and discipline on the bus by effectively managing students with a variety of needs; ensures order, safety, and well-being of students using a flexible, consistent, firm, and positive approach to behavior management.

Verify student bus passes and collect single-ride bus fare as needed.

Determine appropriate action in emergency situations according to established guidelines and State laws; administer first aid to passengers as needed.

Operate equipment, including wheelchair lifts, tie downs, seat belts, child safety seats, safety vests, and other adaptive equipment as necessary.

Assist students in boarding and exiting the bus safely and secure adaptive and assistive equipment.

Load, unload, and secure students; ensure seat belts, child safety seats, safety vests, and wheelchair tie-downs are properly secured.

Pick up and discharge students at established bus stops; escort children across streets or roadways, stopping traffic as necessary; report incidents or conditions affecting the safety of students as appropriate.

Conduct required daily safety inspections of buses and equipment; inspect the interior, exterior, and mechanical functions of buses to ensure safe operational condition; report mechanical malfunctions, or other problems as required; prepare and maintain Federal and State required related records.

Provide health services to students as necessary and according to established procedures; administer CPR and first aid as necessary; provide emergency care as needed; assist in assuring related activities comply with established laws, codes, regulations, policies, and procedures.

Evacuate vehicle in safe and timely manner when necessary and conduct annual bus evacuation drills as required by law, complete necessary reports upon request.

Maintain buses in a clean and safe operating condition; wash, as appropriate, sweep, and clean buses; refuel, check, and prepare vehicle for operation.

Transport students, faculty and parents on field trips or other events; meet scheduled departure and arrival times as assigned; provide safety instruction to passengers; prepare related logs and reports.

Communicate with students, parents, District personnel and various outside agencies to exchange information and resolve issues and concerns related to transportation, bus routes, schedules, student behavior and other assigned activities.

Utilize two-way radios for bus to bus and bus to base communications.

Attend driver training programs to maintain current knowledge of California Vehicle Code and the Education Code related to the operation of vehicles in the transportation of school children to maintain vehicle licensing.

Perform classification-related duties as assigned for ensuring the efficient and effective functioning of the work unit and the District, including various mandatory District trainings.
