

SECA TRANSFER ADDENDUM

1. Please describe your training and/or experience which indicates the strengths you can bring to this type of classroom environment.

2. If you are currently working as a SECA, please state the type of classroom you are assigned to and what contributions you have made to the teacher and students in that classroom. Be specific as to how you know your contribution has been successful.

If you are not currently working as a SECA, please summarize your training and/or experience which demonstrates the contributions you could make to the teacher and students in a classroom. Be specific as to how you would know that your contributions have (will be) successful.

3. Describe your philosophy in working with Special Education Students, specifying the type of classroom you prefer and why.
