##### **How consumers decide: feelings and the hidden mind** (DVD) [81152]

Explores marketing techniques, discussing how consumers make their buying decisions based on advertisements that appeal to their emotions and the concept of branding. Includes teacher's guide. 23 min.

## Career Counselor

## Operations Manager

## Accountant

## Learning Intentions

### **Connect the dots: how school skills become work skills (DVD) [81053]**

Students learn the connection between what one learns in school and what employees do at work. Explores how school skills contribute to a person's ability to think critically and solve problems, and how mastering these skills in school help make for a successful career. Even though their careers may be a long way into the future, connecting the dots right now will give students perspective and help motivate them to tackle tough subjects. Includes teacher's guide. 16 min.

### **Profiles in perseverance (DVD) [81327]**

Provides a definition of perseverance, explains how students can set and pursue goals, profiles people who have overcome difficult situations, and contains a roundtable discussion of teens talking about perseverance as well as several example scenarios. Includes teacher's guide. 20 min.
