

Bid #1465, Catering of Hot & Serve Pizzas – Renewal #2, 2019-2020 School Year

For your information, I wanted to let everyone know that the same pizza that is provided through the Child Nutrition Department is also available as needed for school events, for the same bid price. As pizza parties are planned, we would encourage you to take advantage of this service available through New York Giant Pizza.

Benefits to using awarded pizza vendor:

- Pizza meets nutritional guidelines (same pizza that is served at lunch time by our Child Nutrition Department)
- Saves time (cost includes delivery – no staff time is spent picking up pizzas)
- Saves money (cost includes gratuity – no added cost of tipping the driver)
- No out-of-pocket expenses for staff (payment not required at time of delivery)

Options and prices available on the bid:

16" (8 slices) Pepperoni: \$6.93

16" *8 slices) Cheese: \$6.93

16" (8 slices) Hawaiian: \$6.93

16" (8 slices) Breakfast w/ cheese: \$6.93

Ordering Information:

1. Contact New York Giant Pizza – Amar Hirmiz at (619) 244-2281
2. Orders need to be placed 2 days prior to delivery date
3. Specify the school that you are calling from and ask the vendor to invoice the school directly, rather than invoicing the Child Nutrition Department.
4. No payment is required at the time of order. Vendor will provide invoice at time of delivery. School is to submit a "Confirming" requisition as soon as possible to process for payment.
