ITEM 1: QUESTIONS FROM BIDDERS

Question 1: From my understanding, the bid will be awarded to the lowest bidder for the entire project, provided they are responsive and meet all bid requirements. The contract seems to be based on the Extended Estimated Annual GRAND TOTAL, reflecting the total cost over a year. Could you confirm if this is correct?

Response 1: Refer to Information for Bidders, section 11 for award information.

Question 2: While we understand that the bid may focus on printing logos on apparel, what if we believe our offering is more comprehensive?

Response 2: Please respond to the Bid based on the Specifications listed.

Question 3: Through design and collaboration, we believe we can create apparel that elevates the experience for staff, teachers, students, and educators. Is this type of vision something that could influence the selection of the winning bid?

Response 3: No. The contract for the line item/fixed price apparel items will be awarded to the lowest responsive, responsible bidder for the Extended Estimated Annual GRAND TOTAL.

Question 4: Would there be an opportunity to submit something beyond the basic bid? We would love to share a pitch deck outlining our vision for how Cajon Valley apparel can reflect the district's mission, values, and promises.

Response 4: Please respond to the Bid based on the Specifications listed in the bid documents.

Question 5: Can you please send the logos that will be used on these items? Also are the items requested white? Or colors?

Response 5: Logos and colors will vary as specified in the bid.

Response 6: Prior Bid Results can be found on our website www.cajonvalley.net/bids. Refer to Bid 1611.

Question 7: What is the actual usage per each color requested?

Response 7: As stated in the Bid Specifications, the estimated usage provided on the itemized bid sheets is estimated based approximate anticipated needs Districtwide.

Question 8: Will you provide a purchase order in advance?

Response 8: As stated in the Bid Specifications, all orders will be placed via email or online, using a blanket/open purchase order and/or, individual purchase orders, as needed.

Question 9: Is the expectation of 5 days turnaround from receipt of PO to delivery?

Response 9: As per the Bid Specifications, Product shall be delivered as soon as possible, no later than ten (10) Business Days after receipt of email order, website order (or 10 business days after proof approval for new artwork).

Question 10: Itemized Bid Form page 19: 3001 CV is in reference to Adult Jersey Tee & 6400 CVC is in reference to Women's Relaxed Fit. Which model is in reference to Youth. There is a big price difference between the 2 items, how to best make the price offer? Will you be ordering all items from the same product category? or will you pick the lowest from the group?

Response 10: On Itemized Bid Form page 19, the specified model for youth sizes is Bella & Canvas Youth BC3001Y, (spec sheet attached). Bidder is to provide one price for specified size ranges and apparel options.

Per Specifications, Section A. 2: *"District will have the option to order any of the specified brands which may vary for each request. Bidder must offer all listed brands and models for each line item."*
