## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Foster Youth	0.3%
Homeless	0.6%
Socioeconomically Disadvantaged	34.4%
Students with Disabilities	11.6%

#### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	27.60	100.00	672.10	86.04	228366.10	83.12

<b>Total Teaching Positions</b>	27.60	100.00	781.20	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	29.60	100.00	743.40	89.88	234405.20	84.00

<b>Total Teaching Positions</b>	29.60	100.00	827.10	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
<b>Total Out-of-Field Teachers</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## School Facility Conditions and Planned Improvements

### General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. This survey was completed on 06/11/2022 and is available at the Facilities, Maintenance and Operations office.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

### Facilities Description

This school has 22 permanent classrooms and 7 portable classrooms, a library, a multipurpose room, and an administration building. The main campus was built in 1959 and modernized in 1996. A new kindergarten playground was installed this year.

### Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

### Cleaning Process and Schedule

The school is cleaned every other night by a district cleaning crew. Work performed includes: sweeping, vacuuming, and mopping floors, emptying trash, cleaning sinks, filling dispensers, and dusting rooms, as scheduled. Grounds are maintained by District groundskeeping staff. There is one full-time day custodian. The day custodian is responsible for daily restroom cleaning, cleaning eating and food preparation areas, daily grounds clean up, minor facility repairs, and special emergency clean ups. Carpets are shampooed and tile flooring is cleaned and refinished every winter, spring, and summer break. A thorough deep cleaning of all areas is done every summer. District administration works daily with custodial and grounds supervisors to ensure a clean, safe school.

### Deferred Maintenance Budget

The District allocates funds for completion of deferred maintenance projects which consist of major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior paint, and floor systems. These funds were recently used to repaint the school's exterior.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	57	58	36	33	47	46
<b>Mathematics</b> (grades 3-8 and 11)	56	58	24	23	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

##### Parent Participation:

Successful education requires a strong partnership between parents and the school. To foster this partnership, we encourage parents to be involved in their child's education through regular communication with teachers and school staff. While parent conferences are held in November, we encourage you to talk with your child's teacher throughout the year. You can assist your child's progress by monitoring class work, providing a structured time for homework, reviewing progress reports, and becoming involved in school activities.

The following District and site committees are designed to foster parent involvement:

##### District Committees:

Superintendent's Parent Advisory Council (PAC) – Parent representatives from each school meet with the Superintendent to receive information and give input about activities at the schools. The PAC meets three times in a school year.

Learning Environment Task Force (LETF) – This committee monitors a comprehensive plan that maximizes facility use and improves the quality of program offerings at the school. Parent representatives and staff meet as needed.

Local Control Advisory Committee/Title I District Advisory Council (LCAC/DAC) – Is comprised of parents, facilitators from Title I schools, community members and staff. Title I parent representatives are provided an opportunity to not only receive information regarding Title I programs, but also participate in the development of the District's Local Control Advisory Plan (LCAP) by giving input to improve student achievement.

District English Learner Advisory Committee (DELAC) - This committee meets almost every month and provides opportunities for representatives from each school to learn about District and State programs for English learners. We value and encourage community input as we strive to build meaningful relationships between district staff and our families.

## 2023-24 Opportunities for Parental Involvement

Local Control Accountability Plan (LCAP) - School districts in California are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). Cajon Valley LCAP Committee meaningfully engages a broad group of stakeholders comprised of parents, community members and school and district staff members to provide input in the development of the plan to identify annual goals, specific actions, and measures of student progress. The LCAP guides decision making about actions and services for all students in the district including low-income students, English Learners and foster youth.

### School Site Committees:

School Site Council (SSC) – Our School Site Council meets monthly and is comprised of parents, staff, and the principal. The School Site Council makes decisions for the school through the development and implementation of the Comprehensive School Plan for Student Achievement. The SSC approves categorical budget expenditures focused on improving student achievement.

Parent Teacher Association (PTA) - This committee provides opportunities for parents and teachers to work together to create learning and service activities for both children and their parents all year long. The PTA provides additional funding to enhance the instructional program at school.

Traffic Circle Volunteers: Parents provide additional support at arrival time each day to ensure a safe and warm start to our student's day.

Everyone A Reader Volunteers: This County Office of Education Fluency program trains adult volunteers to work with struggling readers to increase their reading fluency rate throughout the year.

Classroom Parent Volunteers/Room Parents: Teachers provide virtual and in-person opportunities for parents to assist with essential services as well as building class family relationships and connection. This practice provides the parents an opportunity to help build the learning community at our school.

Art Docent Program Volunteers: Parents are given an opportunity to share their knowledge of art history and to lead the class virtually or in-person (providing vaccination records/weekly testing) in creating original art in the style of the great masters at least four times per year.

English Learner Advisory Committee (ELAC) - This committee advises the principal and staff on the site plan for English learners and submitting the plan to the School Site Council for consideration of inclusion in the School Plan for Student Achievement, assisting in the schoolwide needs assessment, and to help make parents aware of the importance of regular school attendance through the building of meaningful relationships between school staff and our families.

### School Events:

Parents are invited to Kindergarten Orientation, Curriculum and Family Connections, Round Up, Boo Bash, Parent/Guardian - Daughter and Parent/Guardian - Son events, Volunteer Appreciation Breakfast, Concert in the Park (Student Performance), Fun Run, Field Day, and Open House. We are so excited to have our on-campus events back and in full force!

### Parent Education:

The Cajon Valley Union School District is committed to supporting families through a strong parent education program. The district and sites offer parent training opportunities which include virtual and in-person single and multiple session workshops that empower parents to support their children with both academic and social-emotional needs. Workshops and classes are based on parent/student needs and parent interests.

The Family and Community Engagement (FACE) Department develops and supports parent education opportunities through collaboration with district departments and site staff members who facilitate parent education workshops.

In addition, the district collaborates with various community agencies to support effective parent education. The district promotes parent education through the San Diego County Office of Education's sponsored conferences, Grossmont Adult Education, the WorkForce Partnership, East County Career Center, Grossmont Community College Career Center, Rady Children's Hospital, International Rescue Committee, California Collaborative of Educational Excellence, The Brookings Institute, and the California Engagement Initiative.

By empowering and educating staff, we are better able to listen to and address the needs of our parents through educational

opportunities. The FACE Department provides professional development for school and district staff to help further deepen the collective understanding of what it means to authentically engage families to support their children. Staff trainings include, but are not limited to, an introduction to Family and Community Engagement, Positive Home Visits, developing Family Teacher Teams, and understanding community challenges and barriers.

## 2023-24 School Safety Plan

Fuerte Elementary school is focused on providing a positive, safe, and secure learning environment for students, staff, parents, and the community. The site's comprehensive Safe School Plan addresses safety concerns identified through a school wide planning process. The goals and objectives of this plan support a learning environment that allows staff to effectively teach and students to actively learn. The plan promotes campus safety and focuses on character building and the analysis of the school's physical, social, and cultural environments. Additional components of the plan include information on the site discipline plan and policies; safe travel to and from school; child abuse reporting protocols; school crime data; notifications to teachers of dangerous students; discipline, non-discrimination/harassment, hate-motivated behavior, bullying and sexual harassment policies; and descriptions of strategies that help to develop a safe, positive environment. The site Safe School Plan is updated annually. For the 2023-2024 school year, it was approved by the School Site Council on 11/30/2023 and discussed and reviewed by the staff on 12/04/2023.

The site Safe School Plan also includes routine and emergency disaster information, including the site Emergency Operations Plan (EOP) that aligns site emergency operations procedures with the District Emergency Operations Plan. The site EOP is updated annually.

## Professional Development

Each year, teachers and support staff participate in Professional Learning, as indicated in the Comprehensive School Plan for Student Achievement (SPSA), the Local Education Agency Plan and Local Control Accountability Plan (LCAP). Priorities for professional learning are established for teacher and staff training using student achievement data, teacher needs assessment surveys, and observations of instruction. In response to these priorities, sessions are developed to support classroom implementation. Teachers requiring additional certifications to meet student needs are enrolled in appropriate programs.

Certificated and support staff participate in workshops offered within the District (in person and virtual), offered by the San Diego County Office of Education, local universities or outside vendors as appropriate.

## Professional Development

An online professional learning platform, Cajon 365, which includes Cajon Valley Union School District offerings for the year is accessible to all staff. This includes our district initiatives, safety, mandated trainings, and professional learning for new staff. Professional Learning is available for certificated personnel as well as classified staff members who work with students. Site categorical fund expenditures must be approved by the School Site Council.

Professional Learning opportunities are offered during summer, winter, and spring intersession (in person and virtual), as well as during the school year. Certificated staff who attend workshops during the year are frequently called upon to present relevant information and teaching techniques during site and district professional development sessions.

Full day release and after-school workshops and trainings are also available.

In the 2022-23 school year, elementary and middle school teachers were released for one-half day each trimester to collaborate with grade level/department peers, analyze student work, review formative assessment data, develop lesson plans and identify instructional strategies to meet student needs. In addition, workshops on the topics listed below were offered prior to and during the school year:

- Applied Behavioral Analysis Workshop for Special Education Teachers
- Beable (online literacy supplemental program)
- ELPAC Training
- Cognitively Guided Instruction for Math (CGI)
- Distance Learning Training
- ELD: Designated/Integrated
- Family Engagement
- Guided Language Acquisition and Design (GLAD)
- Imagine Learning (online supplementary program for ELD)
- Mild/Moderate Transitional Training for Special Education Teachers
- Moderate/Severe Special Education Classroom Quality Indicators
- Number Talks and Problem Solving Strategies
- Personalized Learning (small group rotations, differentiated instruction)
- Positive Behavior Management
- Positive Prevention Plus Curriculum (middle school science teachers)
- Poverty Simulation
- Professional Assault Crisis Training (ProAct)
- Presentation Literacy of Knowledge and Ideas to Create a TED style Student Talk
- Science of Reading
- ST Math training
- Social Emotional Learning
- Trauma Informed Care
- Working with the ELD Standards
- World of Work
- Zones of Regulation

Support for implementation of 1:1 chromebooks, personalized learning, technology integration writing, and mathematics was provided by teacher facilitators (coaches) using both push-in and pull-out models throughout the school year.
