

We Believe....

Children are active learners.

Children’s physical, social, emotional and intellectual growth is promoted through play, exploration, discovery and guided learning.

Parents are their children’s first and most important teachers.

It is of primary importance to support parents in promoting their child/ren’s development.

Days and Hours of Operation

JumpStart! is licensed by the County of San Diego for children between the ages 3 and 5. The morning enrichment program hours are from 8:30am to 11:30am, Monday-Friday, with drop off as early as 8am and pick up as late as 12pm. The Stay & Play option at Blossom Valley and Rancho San Diego is available until 1:45pm. *JumpStart!* follows the regular school calendar.

The program provides a nutritious mid-morning snack.

Program Description

JumpStart! accepts children between the ages of three through five years of age who are toilet trained and developmentally ready for group experiences.

Children have a natural desire to learn; therefore, the *JumpStart!* curriculum is organized around monthly, seasonal or holiday themes in which children’s physical, social, emotional and intellectual growth are promoted through play, exploration, discovery and guided learning. Music, movement, dramatic play, art and literature are provided as a vehicle for children to develop language, literacy, social skills, self-confidence and other school readiness skills. The curriculum is highly individualized and recognizes the importance of creativity, problem solving, and self-help skills in promoting a child’s ability to understand their world.

Enrollment

The Cajon Valley Union School District is non-discriminatory. We value diversity and respect the principles held by the families in our community.

Enrollment applications are processed in the order in which they are received. Priority is given to siblings of children currently enrolled in the program.

All registration forms must be completed and received by the District before children may begin the *JumpStart!* Program.

Parents must provide an up-to-date copy of the child’s California immunization card and a completed physician’s report.
