

THE CALIFORNIA HEALTHY YOUTH ACT – EDUCATION CODE §§ 51930-51939

**Comprehensive Sexual Health and HIV Prevention Education Grade 7 and 8  
“Opt-Out” Passive Permission Slip**

California state law and the California Healthy Youth Act requires that comprehensive sexual health education and HIV prevention education be provided to students at least once in middle school, starting in 7th grade. Your child will receive comprehensive sexual health education and HIV prevention during the months of May and/or June 2020.

To opt-out of this instruction, parents/guardians must request in writing that their child not participate in the instruction. If the parent/guardian does not request in writing that the child be withheld, the child will attend the instruction (EC § 51938[a]). However, as stated in Education Code 51932(b), the opt-out provision of the California Healthy Youth Act does not apply to instruction or materials outside the context of comprehensive sexual health education.

The California Healthy Youth Act Opt-Out Letter:
