

## CVUSD Student Online Enrichment Opportunities

Students may access these optional online supplemental learning opportunities. Below is a list of central and site applications with recommendations.

All district and site based applications can be accessed from the Cajon Valley Login Portal (<https://login.cajonvalley.net>). Students will use their student ID and password to access the portal. Once logged in, students will click on the application icon to login.

Grade	Subject	Application	Maximum Recommended Use
TK/K	English Language Arts		15 minutes per day
